Mr. Theodore C. Stroibert
2505 P Street, N. W.
Washington, D. C.

Dear Ted:

Thank you for the warm sentiments
expressed in your letter of 14 November.

It has been indeed a real personal
pleasure to have worked with you. USIA has
made tremendous progress under your direction
and I regret seeing one of the pros in the
business leaving us. I hope your plans will
permit you to keep in close touch.

With kindest regards,

Sincerely,

SD
